DAILY Report Front-End (CSS)

General Report Info

Field	Description
Date	July 2, 2025
Internship Track	Front-End (CSS)
Team Lead	Ali Hyder
Week	2
Day	5

Daily Summary (Team-Wise)

Category	Remarks
Overall Attendance	12 out of 12 interns joined today's session
Response & Activeness	All interns were focused and engaged during the session on the Box Model.

Common Questions Asked

- What is the difference between margin and padding?

- Does the border affect the element's total size?

- How does the box-sizing property influence layout?

Issue Resolution

- Explained each component of the Box Model with visual examples.

- Demonstrated how box-sizing affects width/height.

- Practiced applying margin and padding with different elements.

General Observations

- Interns were enthusiastic and experimented with spacing and borders.

- Hands-on exercises on VS Code helped clarify doubts.

Suggested Improvements

- Try changing box-sizing values and observe layout differences.

- Explore how margin collapse works between elements.

- Use developer tools to inspect real-time box model properties.
